VIKAS MANRAL

WEB DEVELOPER

Ghaziabad, India • +91-8368821506 • vikasmanral9876@gmail.com • linkedin.com/in/vikas-manral-942aa6201 • github.com/vikasmanral9876

PROFESSIONAL SUMMARY

Performance-driven Web Developer with proven expertise in building modern, responsive, and cross-browser compatible web applications using JavaScript (ES6+), React.js, Next.js, Node.js, and RESTful APIs. Skilled in translating complex client requirements into intuitive User Interfaces (UI) and scalable backend architectures while adhering to web security standards, clean code principles, and efficient data management.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), TypeScript, HTML5, CSS3, Python, C

Frontend & UI: React.js, Next.js, Tailwind CSS, Shadcn UI, Responsive Web Design

Backend & APIs: Node.js, Express.js, RESTful Web Services, API Integration

Databases & Cloud: MongoDB, Convex, Cloudinary

Security & Auth: Clerk Authentication, JWT, Session Management, RBAC

Tools & Platforms: Git, GitHub, Postman, VS Code, Puppeteer, Gemini AI

KEY PROJECTS

AI Event Management SaaS Platform

React 19, Next.js 16, Tailwind CSS, Convex, Clerk, Shadcn UI

- Engineered a full-stack SaaS web platform featuring real-time state synchronization and automated AI event assistance.
- Architected responsive, cross-browser compatible UI components with Tailwind CSS and Shadcn UI, improving load times.
- Implemented secure authentication, session management, and role-based permissions using Clerk and modern security practices.
- Configured real-time backend data pipelines with Convex to manage event scheduling and interactive multi-user workflows.

GenAI Job Preparation & ATS Web Application

React.js, Node.js, Express.js, MongoDB, REST APIs, Gemini AI

- Developed an end-to-end web application providing automated resume parsing, ATS gap analysis, and tailored interview prep.
- Designed robust RESTful APIs in Node.js/Express with secure JWT authentication and validation for handling file uploads.
- Integrated Gemini AI to process unstructured resume text and dynamically generate customized evaluation metrics.
- Constructed modular, reusable UI layouts in React with strict adherence to responsive and accessible web design standards.

EDUCATION

B.Tech in Electronics & Communication 2022 – 2026
ITS Engineering College (AKTU), Greater Noida

Senior Secondary Education (Class XII) 2022
Holy Trinity Church School, Ghaziabad

CERTIFICATIONS & LEARNING

- Python Programming Certification – Softpro
- Full-Stack Web Development – Self-Directed / Project-Based
- REST API Architecture & Design – Practical Implementation
